

Bailey for Governor Petition Circulation Instructions

Thank you for circulating Darren's Petitions for Governor of Illinois! Whether you are a seasoned politico or new to the process, we appreciate your support! Circulating petitions is an important part of the political process. Below are the circulation rules according to Illinois law:

Circulators must:

1. Be U.S. Citizens.
2. Be at least 18 years of age on or before November 8, 2022.
3. Ask each person signing if he or she is a registered voter in Illinois.
4. Personally witness each and every signature (the petitions must remain where you can see them).

Circulators must not:

1. Circulate petitions for candidates of any other political party. (Republicans only, please!)
2. Allow anyone to sign who is not registered to vote in Illinois.
3. Allow one person to sign the name of another person.
4. Allow someone else to take the petition out of your line of sight to collect signatures.

Please note:

1. If a voter makes a mistake while signing, you may strike the signature by drawing a line through it.
2. Please do not fill in the "sheet number" at the bottom of the page—we will fill them in once all the pages are bound and ready for filing with the State Board of Elections.

What to do next:

Once your petition sheets are filled, you must fill out the bottom portion with your name and address, find a notary public, and in front of that notary, sign the petition sheet in the spot marked "Circulator's Signature." The notary should then fill out his or her designated spot and stamp the sheet with an official seal.

Please send completed petitions to: Bailey for Illinois

Please mail original, signed, notarized, "hard copy" paper petitions to the address above no later than February 28th, 2022.
